Ted Cruz
Cruz for President
Campaign Headquarters
[REDACTED]

Hi Ted,

Hope all is well out on the campaign trail. I saw the video you made years ago talking about your future aspirations. I noticed one goal was to be a porn star and I want to give you the chance to do just that. Vivid Entertainment is the leader in celeb sex tapes and at least for now you're a celeb! Wanna make a movie? I think it would do well, but let's strike while the iron is hot. Who knows how much longer you'll be out there so the time is now. I will donate 1-million dollars to your campaign through any Super Pac you want. In return all you need to do is show off your sexual prowess for the whole world to see. You can pick your co-stars and even the title but we think "Cruzin for Bush" is perfect! And, as far as location, we can shoot the movie in your home country of Canada! We're sure you'll make them proud.

Get back to me soon. Let's make it happen!!

Sincerely,

Steven Hirsch
